Re: Exparte Communication in IB Docket 98-172

Dear Mr. Secretary:

On Wednesday, April 3, 2002 the undersigned met with Mr. Rich Engleman and Ms. Belinda Nixon of the International Bureau and Ms. Eloise Gore and Mr. Wayne T. McKee of the Media Bureau.

We discussed 18 GHz and the Motion for Reconsideration to the IB Docket 98-172 and the Motion for Reconsideration filed by OpTel in CS 99-250, the use of 12 GHz to deliver video programming.

We discussed the use by Private Cable Operators of microwave transmissions but no information was presented or discussed that hadn't been previously presented to the Commission.

Sincerely,

William J. Burhop
Executive Director
